

Bury Rangers Knowledge Organiser Kestrels: Poetry

Key facts
Spring is the season that comes after winter. The days get warmer and longer. Plants begin to grow.
We have 5 senses: seeing, hearing, smelling, feeling, tasting.
Poems often follow a pattern or beat.
Poems can be about anything you want.

Key Words	Definition
poem	A piece of writing that follows a pattern. It may or may not rhyme.
rhyme	When two words have the same middle and end sounds.
rhythm	The beat of the poem.
song	A poem written to be sung.
