Key Facts

Christians knowing God is a personal journey and a relationship.

Cathedrals show different aspects of what Christians believe about God. Stained glass windows tell stories; the altar talks of sacrifice; confessionals talk of forgiveness; the size and scale of cathedrals speak of God's power as well as human creativity; the cross shape talks of God's love through Jesus.

God's holiness and love are seen in his dealings with his people—his commands and his willingness to forgive.

The People of God were taken into exile in Babylon in 586BCE. They returned after about 50 years, but their Promised Land was still occupied by foreign forces. They began to have a new hope that they would be rescued. He will send a rescuer, a saviour—a Messiah. This is the situation when the Old Testament ends. However, the land remains occupied by different forces—at the start of the New Testament, this is by the Romans.
