

Bury Rangers Knowledge Organiser **Kestrels: Mapping**

Key facts

We can make a journey stick to help us explain where we have been.

A compass has 4 point. It shows north, south, east and west.

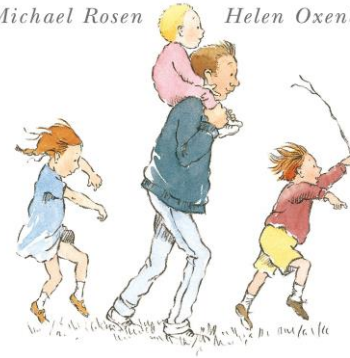

Key Words	Definition
compass	Helps us find North.
journey	Going from one place to another.
map	A picture to show where things are.
symbol	A picture or drawing of an object.

Tier 2 Words	
Word	Definition
journey	To make a plan for something that you will make or draw.
journey	The surroundings or conditions in which a person, animal, or plant lives.
journey	To recognise something and know how it is different from other similar things.
