

WELCOME FROM THE CHAIR OF GOVERNORS

Dear Parents,

It is my pleasure as Chair of Governors to welcome you to BURY CE PRIMARY SCHOOL which provides education for children from 4 to 11 (Reception to Year 6).

We have a strong team at our school who are committed to providing learning experiences that aims to excite, challenge, motivate and support each child. And as you would expect, strong emphasis is placed on high standards in English and mathematics and on high quality learning across the other subjects of the curriculum.

Our school is very successful at capitalising on its unique location and the support from local organisations. As a result, children have varied opportunities to acquire essential subject knowledge and skills within a rich, broad and locally relevant curriculum. The work of the school is underpinned by a strong, shared vision and by the core aims: 'Success, Teamwork, Aspiration, Respect, Resilience and Responsibility'.

We know that your involvement in your child's education is crucial and we provide frequent opportunities to keep you informed about all aspects of your child's life at school. We are keen to involve parents at all levels and welcome their help as volunteers, around the school and in the Friends of Bury School (FOBS) dedicated team. We hope you enjoy our website and urge you to visit us. You can be assured you will be warmly welcomed and will be able to see our pupils in the business of learning.

Yours sincerely,

Peter Cowley
