

RE—Creation and Science: Conflicting or Complementary?

Key Vocabulary

astrophysicist	An expert in astrophysics (the study of how stars and planets work and how we can learn about them).
conflict	A disagreement or argument.
complementary	Combining in a way which emphasises the qualities of each another.
cosmology	The science of the origin and development of the universe.
evolution	The process by which different living things are believed to have been made.

Key People

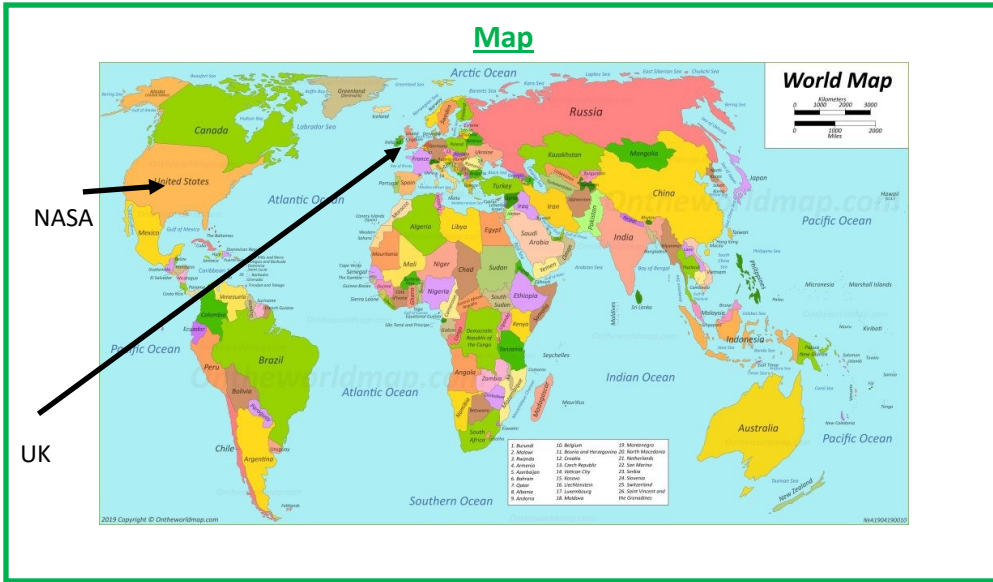

Dr Jennifer Wiseman is a famous astrophysicist at NASA (National Aeronautics and Space Administration).

Her studies focus on star formations in our galaxy.

Key Facts

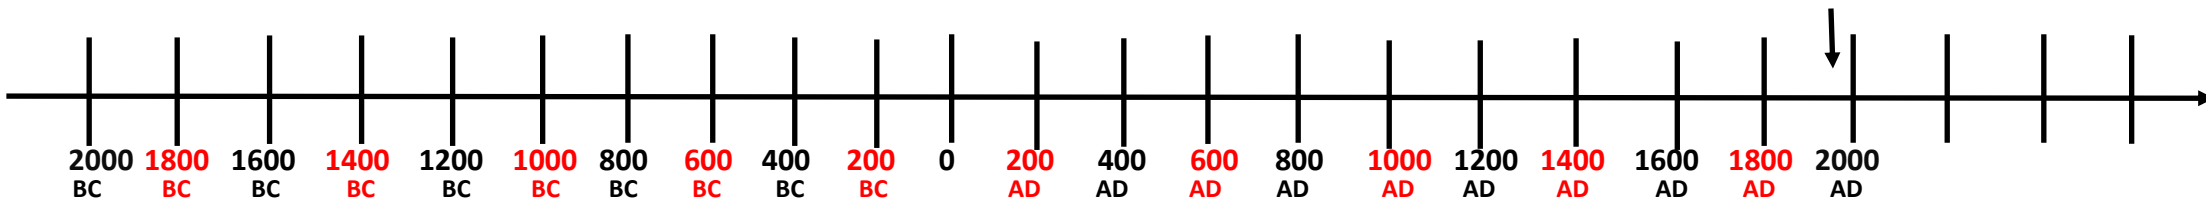

People (including Christians) disagree about the genre and purpose of Genesis.

Some people think that Genesis 1 cannot be true because the scientific account contradicts it, but that depends how you interpret Genesis.

Timeline

NASA was founded
in 1958.

Tier 2

Vocabulary

analogy

Comparing or explaining something.

concept

An idea.

principle

A belief that you have about something.
