Dear Parents/Carers,

Congratulations to our STARs (Success, Teamwork, Aspiration, Resilience, Respect and Responsibility) of the week from each class. The class teacher chooses one child each week who has demonstrated one or more of our core values. The last week's winners were:

Kestrel	Belle
Sparrowhawk	Samuel
Buzzard	Joe

National Assessments

This week sees Yr 6 taking on their national assessments (commonly referred to as SATS). They will be completing them each morning before getting on with lessons as normal. Yr 2 also have their assessments which are taken throughout this month. Next month is the turn of the Phonics Check for Yr 1 children and Yr 2 who did not reach the mark last year. Good luck to all of the children.

Books, glorious books!

Thanks once again to Mrs Chagri who is doing a sterling job manning the book fair. The teachers are working together this week to redevelop the library space and we are really hoping to be able to add some more books to our collection. We need to sell £400 worth of books to then get £180 to buy books for school. Feel free to bring along aunties, uncles, grandparents, neighbours, villagers – anyone you can think of who would like a new book! The fair is only open for definite until Wednesday after school, please help us to get as many new titles as we can.

Social Media

The school Facebook page can now be found here [Bury Facebook](#). Those of you familiar with our Twitter feed will see it used in a similar way, to share some of the excellent things your children do at school.

The page (Bury CE Primary) will be used for sharing positive news stories about how your children are doing. If you wish to get in contact with us, please do so via the usual routes. Please do help our reach to potential new parents by sharing the page.

The children are looking forward to sharing their work with you this week between 14:30 and 15:00. You are then very welcome to stay for our 15min assembly: on Tuesday Miss Willett will be sharing a Bible story; Wednesday is Fr Peter and Thursday is Mrs Braun leading a singing assembly.

Wednesday 15 th May	Kestrel parents invited to view moon rock collection and children's work
Thursday 16 th May	Buzzard parents invited to view moon rock collection and children's work

Car Park

Thank you all for your careful use of the car park. Please do go slowly across it as the materials bed-in. Please take particular care when entering and leaving the car park on foot, the pathway was cut back last week to make the pedestrian access clear.

FOBS News

With Love Bury fast approaching I would like to thank everyone for the help you have offered already. We have had fantastic support and we can't thank you enough. If anyone else is available to help on the day or put posters up, please let me know.

We are also looking for empty screw top wine bottles and newspapers, if you have any you would like to donate please pass them our way.

Year 6 leavers.

For this year leavers gifts we will be doing something personalised. We would like to know if you/your children would prefer to have nicknames, if they have one, on them rather than their names. The gift is

wearable so could be seen by members of the public. email us fobs@bury.school if you would like to have a nickname on your child's gift by the 24th may.

We are also looking into year books for the children leaving this year. We would be looking at including photos taken throughout the children's time at Bury including any you may like to include (not too embarrassing though).

Unfortunately, this is not something FOBS can fund so we are asking if this is something parents would be willing to purchase?

Should you be interested please let myself or Callie know.

We will be making a decision on if we will go ahead by the **24th may** so please let us know.

Kim,

Chair

Love Bury

FOBS are looking for the following **urgent** help with this year's event:

- leaflet distribution
- sponsors
- raffle prizes
- stallholders

If you think you can help, please see Kim or Richard ASAP. Thank you

Birthdays

Thank you for all the feedback regarding the Birthday Book idea. The link to the Wish List is below, with titles being added all the time.

[Birthday Book wish list](#)

Please don't feel constrained by the list, nor feel you have to get them through Amazon – locally we have great bookshops in Arundel and Petworth both of which have a very good selection of children's books. Our own list will grow as there are masses of excellent books

coming out all of the time at the moment – it really is a great time for high quality children’s literature.

Please do add your views to <https://parentview.ofsted.gov.uk/>. It is incredibly helpful to us for you to share the positives of what is going on at Bury CE Primary; if you have the time and would like to share the good work we are doing then please do add your feedback. Excerpt below taken from ParentView website.

Parent View gives you the chance to tell Ofsted what you think about your child’s school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don’t have to wait until the school is being inspected.

We will use the information you provide when making decisions about which schools to inspect and when.

Click ‘Give your views’ to register and complete a survey to help your child’s school improve.

It is parents’ responsibility to inform the school of any changes to consent to administer medicine.

It is parents’ responsibility to keep us informed of changes to your personal data and where the school process personal data solely on the basis that you have consented to the processing, you have the right to withdraw that consent.
