May 13th 2019

Dear Parents/Carers,

Congratulations to our STARs (Success, Teamwork, Aspiration, Resilience, Respect and Responsibility) of the week from each class. The class teacher chooses one child each week who has demonstrated one or more of our core values. The last week's winners were:

Kestrel	Jemima
Sparrowhawk	Ivan
Buzzard	Ryan

Books, glorious books!

Thank you to everyone who bought books at the book fair. We didn't quite reach the total with sales alone but have bought some for school to ensure we triggered the free books. The teachers were working last week on redeveloping our library space, including updating our stock of books. Mrs Braun is now using the money raised at the book fair to add to our library collection.

Social Media

The school Facebook page can now be found here [Bury Facebook](#). Those of you familiar with our Twitter feed will see it used in a similar way, to share some of the excellent things your children do at school.

The page (Bury CE Primary) will be used for sharing positive news stories about how your children are doing. If you wish to get in contact with us, please do so via the usual routes. Please do help our reach to potential new parents by sharing the page.

Thank you to everyone who was able to come and see their children's work last week. The children were very excited to show their work to you. We were under a media embargo last week and not allowed to talk about the moon rock being in school as it is quite literally – priceless! Now that they have been collected we can share some of the images of the children looking at them*. If you regularly follow our Twitter feed, you will have noticed less images posted last week – I can assure you I was still sent some fantastic work, the quality of writing in response to Skellig in Buzzard Class was outstanding. We also had one of Kestrel Class write

and illustrate her own book, which has now been added to our selection in the library. *After a change of computer, I am awaiting a card reader. As soon as it arrives, normal image posting service will be resumed.

Car safety

We managed two days last week without anyone pulling up on the yellow lines or pulling into the drive next door to school. With the car park now complete there is plenty of space to park safely and to turn around. Clearly with additional vehicles and pedestrians in the car park extra care is needed for everyone's safety.

3/4 Football Tournament

Sparrowhawks were involved in last week's football tournament at Watersfield. We used this as an opportunity for everyone to have a go representing the school. The majority of each team were our Yr 3 children and they were up against Yr 4s from the other local schools. This was a good opportunity to get an idea of what it is like in a big tournament before we come back next year that year older. What was particularly pleasing about last week is that some of the children have now signed up for football club as a result of taking part.

FOBS News

With Love Bury fast approaching I would like to thank everyone for the help you have offered already. We have had fantastic support and we can't thank you enough. If anyone else is available to help on the day or put posters up, please let me know.

We are also looking for empty screw top wine bottles and newspapers, if you have any you would like to donate please pass them our way.

Year 6 leavers.

*For this year leavers gifts we will be doing something personalised. We would like to know if you/your children would prefer to have nicknames, if they have one, on them rather than their names. The gift is wearable so could be seen by members of the public. email us fobs@bury.school if you would like to have a nickname on your child's gift by the **24th May**.*

We are also looking into year books for the children leaving this year. We would be looking at including photos taken throughout the children's time at Bury including any you may like to include (not too embarrassing though).

Unfortunately, this is not something FOBS can fund so we are asking if this is something parents would be willing to purchase?

Should you be interested please let myself or Callie know.

*We will be making a decision on if we will go ahead by the **24th may** so please let us know.*

Kim,

Chair

Love Bury

FOBS are looking for the following urgent help with this year's event:

- leaflet distribution
- sponsors
- raffle prizes

- stallholders

If you think you can help, please see Kim or Richard ASAP. Thank you

Birthdays

Thank you for all the feedback regarding the Birthday Book idea. The link to the Wish List is below, with titles being added all the time.

[Birthday Book wish list](#)

Please don't feel constrained by the list, nor feel you have to get them through Amazon – locally we have great bookshops in Arundel and Petworth both of which have a very good selection of children's books. Our own list will grow as there are masses of excellent books coming out all of the time at the moment – it really is a great time for high quality children's literature.

Please do add your views to <https://parentview.ofsted.gov.uk/>. It is incredibly helpful to us for you to share the positives of what is going on at Bury CE Primary; if you have the time and would like to share the good work we are doing then please do add your feedback. Excerpt below taken from ParentView website.

Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected.

We will use the information you provide when making decisions about which schools to inspect and when.

Click 'Give your views' to register and complete a survey to help your child's school improve.

It is parents' responsibility to inform the school of any changes to consent to administer medicine.

It is parents' responsibility to keep us informed of changes to your personal data and where the school process personal data solely on the basis that you have consented to the processing, you have the right to withdraw that consent.

Diary Dates

I will try to give you as much notice as possible about forthcoming events at school. We will try not to change dates and times, but sometimes we do need to due to circumstances beyond our control.
