Dear Parent

Improving School Communications with My Child at School (MCAS)

Communicating with parents is an important part of what we do, making sure you get the correct information about activities, events and things that really matter is something we care about.

We use MCAS, a service used by many school across West Sussex and nationally. MCAS will be beneficial to you because you can:

- Use a free mobile app on Android and iOS to pick up school messages instantly.
- Pay for schools trips/items in just a few taps.
- Complete forms, give consent/permissions and give feedback on surveys.
- Keep on top of school meetings and events.
- And much, much more!

Registering with MCAS is very easy! Over the next few days you will be sent either an email and/or text message from MCAS, When you receive this please just follow the instructions in the message.

Please be assured that MCAS is registered with the Information Commissioner and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

Once registered, if you have an Android or Apple smartphone, we highly recommend you download the MCAS App for the best user experience. To do this, simply search for "My Child at School " in your App store.

If you need any additional information or assistance please contact Mrs Clark in the school office.

Yours sincerely

Mrs Clark

School Business Manager
