February 11<sup>th</sup> 2026

Dear parents and carers,

Congratulations to our **Star of the Week** winners from each class. The class teacher chooses one child each week who has demonstrated one or more of our core values of: courage, humility, wisdom, compassion and perseverance. Last week the winners were:

Little Owl	Maeve
Kestrel	Jack P
Sparrowhawk	Milo
Buzzard	Imogen
Mrs Seymour	Amos

## Welcoming our new Vicar

After almost 3 years, we look forward to welcoming a new vicar to the village. Canon Martin Poll has just taken up residency in Bury and will be visiting the school at the end of this week. We hope to start welcoming Canon Martin into school on a regular basis in the not-too-distant future.

## Lego Day

Thanks once again to FOBS for organising another excellent Lego Day. It was great to see so many family members join in with the builds.

## Snacks in School

A piece of fruit is provided free of charge to every Early Years and KS1 pupil (Years R, 1 and 2) at morning break courtesy of the NHS School Fruit and Vegetable Scheme. Older pupils are encouraged to bring their own piece of fruit or vegetable.

## Shakespeare

For the beginning of this week, Mrs Braun has been in Stratford working with the Royal Shakespeare Company for the second part of her training about using Shakespeare in primary schools. She is already thinking about how some of the techniques could be applied to younger classes. Last week, two of our governors came in to see how the work was going and were left very impressed.

## Swifts on Camera

At the top of School House (the two-story building in next to Little Owls classroom), you will see a bird box. This was installed a few years ago by local ecologist and Swift conservation expert, Paul Stevens. Two years ago, we thought we had signs of Swifts nesting. Last year this was confirmed as two fledglings were seen regularly poking their heads out of the bottom left box. Paul is coming back this week to hopefully add a couple more nest sites to the box and to install a camera in the hope that the Swifts return again this year. Hopefully, we will be able to provide some exciting updates as move into the warmer months.

## Bury Rangers

Please ensure your child has a pair of wellies or outdoor boots that can be worn just for the Bury Rangers session – they will need another pair of shoes for the rest of the day.

A reminder of what children should be wearing for PE Kit:

### PE Kit:

Green Bury T-shirt, black shorts (tracksuits may be worn for outside lessons), plimsolls or trainers. Plus shin pads and mouth-guards for Sparrowhawks and Buzzards

## Birthdays

Children can wear their own clothes for the day (or a day either side of the holiday) when it is their birthday. Please do not send the children in with cakes or sweets to share. In its place, we thought that instead of sweets it would be a good idea to buy a book for the school/class. The children then present the book to the school in assembly before placing it in our school library (although most ask for it to be shared in their class first). Please do inscribe a message in the book so that it keeps reminding the child of their birthday every time either they, or a friend, borrow the book. The link below is an Amazon wish list where the staff and children have selected some books that they would like for school.

### [Birthday Book wish list](#)

Please do not feel constrained by the list, nor feel you have to get them through Amazon –locally we have great bookshops in Arundel and Petworth both of which have a very good selection of children’s books. It is also great to receive a book chosen by your child because it is something they are particularly interested in. James at The Crow Road Books in Arundel will give you 10% discount if you show him this letter. If you are looking for something that is tricky to find, please email James in advance and he will do his best to help you

Parent View gives you the chance to tell Ofsted what you think about your child’s school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don’t have to wait until the school is being inspected.

We will use the information you provide when making decisions about which schools to inspect and when.

Click ‘Give your views’ to register and complete a survey to help your child’s school improve.

It is parents’ responsibility to inform the school of any changes to consent to administer medicine.

It is parents’ responsibility to keep us informed of changes to your personal data and where the school process personal data solely on the basis that you have consented to the processing, you have the right to withdraw that consent.
