

## RE— Christianity: People of God

### Key Vocabulary

chronological	To place in order of when the event happened.
covenant	An agreement.
descendant	A person who is related to another person and has lived after them.
faith	Having complete trust or confidence in someone or something.

### Key People

Abraham was a descendant of Noah.

Sarah was the wife of Abraham.

The Salvation Army is a worldwide Christian church based on the faith in Jesus Christ who wants everyone to experience life in all its fullness.

William Booth founded the Christian Mission and then the Salvation Army.

Father Peter Walter founded a charity in Columbia that focused on helping street children.

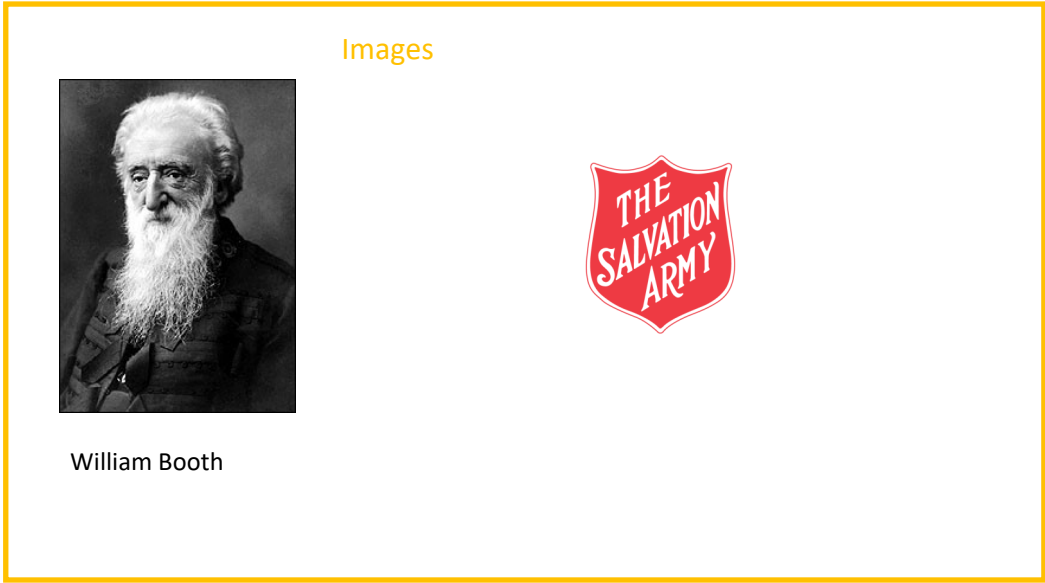

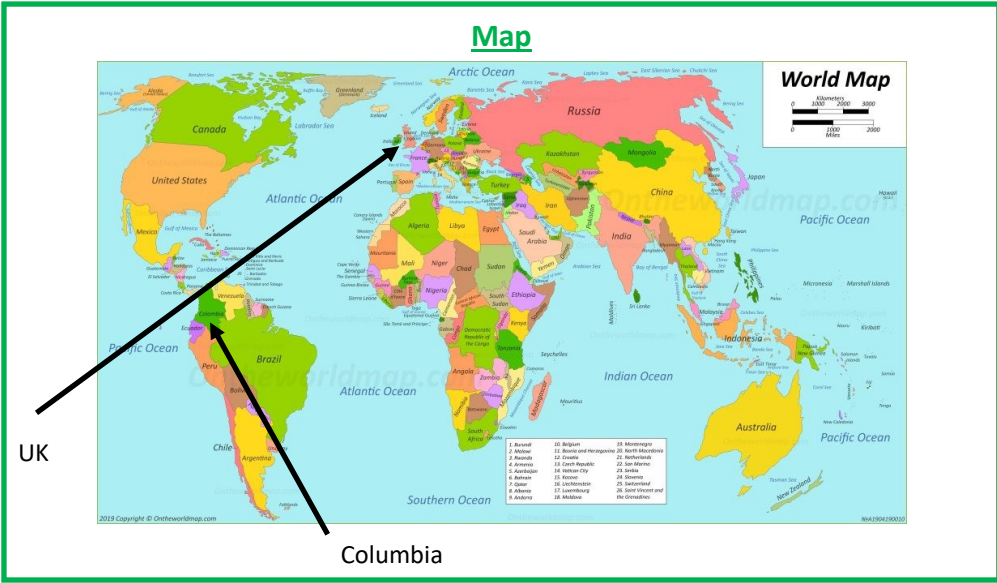

### Key Facts

The stories of the first part of the Old Testament tend to focus on a particular group or people.

Abraham was asked by God to leave everything behind and was told to go to an unknown, distant land.

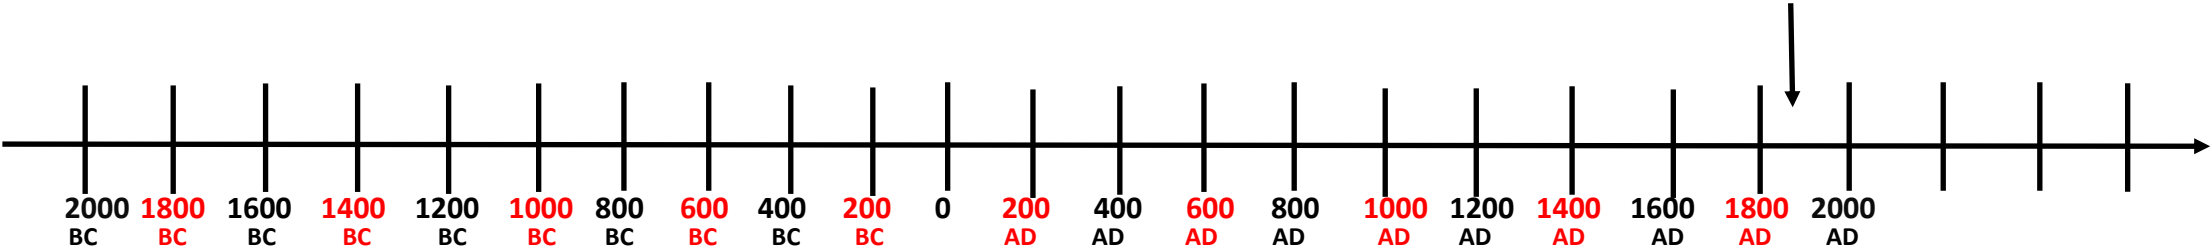

The People of God try to live in the way God wants, following his commands and worshipping him.

Showing God's love is incredibly important to the Salvation Army because this is something that Jesus focused on in his teachings.

Timeline

William Booth founded the Salvation Army.
