Dear Parents,

From September 2026, school meals at Bury will be provided by ISS Education, who are taking over from Chartwells as part of a new West Sussex County Council contract.

ISS will be bringing exciting new menus and a brand new online ordering system to make managing school meals easier than ever for families. Great news on price too, meals will be just £2.95 per day, which is **25p less than the current charge**. If you think you may be eligible for Free School Meals then check the WSCC website and apply today www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/free-school-meals/.

To find out more about what's coming, including menus and how the new ordering system will work, visit www.feedwestsussex.co.uk.

ISS are holding roadshows at schools across West Sussex, please see the attachment for locations and dates. Please note food samples will be offered on a first-come, first-served basis- so we encourage families to arrive promptly to avoid missing out.

The current Chartwells/Parentpay system will remain in place until the end of term. **Please ensure that if you have a balance in Parentpay it is used or claimed back before the end of term.**

If you have any questions in the meantime, please contact the school office.

Yours sincerely,

Mrs Clark
