Maths Resources

Please see the message below from our Miss Willett

Dear parents,

We would like to develop our maths resources and experiences for the children by providing them the opportunity to handle real money in their maths lessons. We currently only have a set of plastic money and, although this can be used, it is much more beneficial for children to learn using the real coins. Cash is becoming something less and less children experience in the home lives but continues to be an important part of the primary curriculum.

If anyone has any spare change they would be happy to donate so that we can build a class set of coins, please hand them in to Mrs Clark in the office. We are after all the coins so all donations will be very gratefully received.

Many thanks for your support,

Miss Willett

Please ensure your child has a pair of wellies or outdoor boots that can be worn just for the Bury Rangers session – they will need another pair of shoes for the rest of the day.

PE Kit:

Green Bury T-shirt, black shorts (tracksuits may be worn for outside lessons), plimsolls or trainers. Plus shin pads and mouth-guards for Sparrowhawks and Buzzards

Birthdays

Children can wear their own clothes for the day (or a day either side of the holiday) when it is

their birthday. Please do not send the children in with cakes or sweets to share. In its place, we thought that instead of sweets it would be a good idea to buy a book for the school/class. The children then present the book to the school in assembly before placing it in our school library (although most ask for it to be shared in their class first). Please do inscribe a message in the book so that it keeps reminding the child of their birthday every time either they, or a friend, borrow the book. The link below is an Amazon wish list where the staff and children have selected some books that they would like for school.

Please do not feel constrained by the list, nor feel you have to get them through Amazon –locally we have great bookshops in Arundel and Petworth both of which have a very good selection of children's books. It is also great to receive a book chosen by your child because it is something they are particularly interested in. James at The Crow Road Books in Arundel will give you 10% discount if you show him this letter. If you are looking for something that is tricky to find, please email James in advance and he will do his best to help you
