

Welcome to Bury C E Primary School

Little Owl class

“Bury is a very special school that makes the most of its location and community to offer a unique curriculum and a very nurturing, supportive experience for its children.

I cannot imagine a better start to school for my son. He has thrived in this small setting, made friends not only in his own class but throughout the school, and as a family we have felt very welcomed into the Bury school community.

From farm visits to Lego days, campfires to astronomical domes, Bury might be a small school but it has big ambitions for its children and inspires curiosity in all aspects of their learning from Day 1.

I am very grateful to every member of staff and volunteer at Bury for making school such a wonderful experience for my son.”

What is the Early Years Foundation Stage?

- The EYFS is the stage of education for children from birth to the end of the Reception year.
- It is based on the recognition that children learn best through playing and exploring, active learning and creating and thinking critically.
- These characteristics are taken into account when planning the children's learning.

The EYFS consists of 7 areas of learning and development:

Three prime areas:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development

Four specific areas:

- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

The first few weeks

- School will begin at 8:40 on Thursday 4th September 2025 for all Reception children.
- If you think your child would benefit from having a phased start in the first couple of weeks, please let us know your reasons and we will see how we could facilitate this.
- The first few weeks will consist of us getting to know your children, them getting to know us and the daily routines of school life.
- We will also be carrying out the [Baseline Assessment](#) within the first 6 weeks.

“Our son joined Bury school just three weeks after his fourth birthday. He leaves at the end of this term after seven years. There has never been a day he didn't want to go to school and in that time we've seen him grow metaphorically and physically into the young man he is today.

We cannot recommend Bury school enough, we just wish he could stay all the way through to the end of Y11.”
