

Brilliant Bury - The Buildings in the village

Key Vocabulary

| | |
|---------------|--|
| architecture | How houses are planned and designed. What style of walls, windows, doors and roofing they use. |
| census | A list of who lived in which house taken every ten years from 1841. |
| directory | A list of who owned each business in a town or village. |
| Domesday Book | The "Great Survey" of England and parts of Wales completed in 1086 by order of King William the Conqueror. It was an early census. |
| period | A length of time when similar things happened. The Tudor period or the World War 2 period are examples. |
| scale | The relative size of something compared to other things that are close by or related. |
| thatch | A roofing material made of reeds or straw. |
| tile hung | A building with tiles hung on the walls. These buildings are often Victorian or Edwardian. |
| timber framed | A building with wooden beams. The walls were filled in with lathe and plaster. These were often built between 1400 and 1600 AD. |

Jessamine Cottage, built in 1390 (the oldest building in Bury) is **timber framed**.

This cottage is made from stone with brick edging.

This converted barn is clad in wood with a **thatched** roof.

4 Squires Cottages is **tile hung** on the end.
